In connection with the PFIAB project to review estimates on Soviet defense spending, the PFIAB staff has asked for a copy of the classified briefing paper presented to Senator Proxmire's Subcommittee of the Joint Economic Committee. When I discussed this request with [redacted] C/SOVA/EA, Joe said that he felt that because the briefing paper is rather sketchy, it would not be as useful to PFIAB as the classified paper on defense spending which was issued last August, and Joe suggests that we provide both of these papers to the Board. Please let me have whatever you feel would be appropriate to pass on to the Board.
